**Overall Length:**

7.000 inches

**Overall Height:**

0.750 inches

**Overall Width:**

1.500 inches

**End Application:**

C-17 acft

**Special Features:**

Color red, per fed-std-595

**Functional Description:**

Used to secure the air deflector during actuator removal/replacement

**Material:**

Stainless steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23900
