Overall Length:

14.500 inches

Overall Height:

7.500 inches

Overall Width:

2.000 inches

Attachment Method:

Bolted and pin

End Application:

Used on conformal fuel tank maintenance stand for f-15i acft

Usage Design:

Fuel system component

Material:

Aluminum alloy, qq-a-250/4, alloy 2024

Material:

Aluminum alloy 2024

Surface Treatment:

Anodize

Surface Treatment:

Anodized

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30600
