**Usage Design:**

Outerwing

**Product Name:**

Strap assembly, sling-outer wing

**Special Features:**

Stitching per fed-std-751, type 301, nylon thread v-t-295, type 1, class a, color white, thread size f

**Relationship To Similar Equipment:**

Similar to mcdonnell-douglas sling assembly p/n 74d115146-1003

**Specification Data:**

81349, mil-w-4088, type xiii government specification

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T215-k
