Usage Design:

Outer wing

Product Name:

Strap assembly, sling-outerwing

Special Features:

Stitching pre fed-std-751, type 301, nylon thread v-t-295, type 1, class a, color white, thread size f

Relationship To Similar Equipment:

Similar to mcdonnell-douglas sling assembly p/n 74d115146-1001

Specification Data:

81349, mil-w-4088 type xiii government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T215-k
