End Application:

C-40a se

Product Name:

Set, lock outboard ground spoiler

Special Features:

This lockset is used to lock the outboard ground spoilers, 1 and 12, in the 60 degree fully extended position. Each spoiler lock consists of a screw and nut assembly that is slotted. The assembly is slipped over the extended actuator; the nut is then rotated to lock the unit in place on the actuator. The c-40 aircraft are supported at "o" level only with limited se to perform routine system level maintenance

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
