Covering Material:

Any acceptable

End Application:

C-17

Component Quantity:

5

Adjustability:

Nonadjustable

Floor Material:

Any acceptable

Working Level Dimension:

6ft height

Working Platform Quantity:

5

Ladder:

Not included

Platform Safety Guard:

Not included

Maximumlength:

75.000 inches

Maximumheight:

6.000 inches

Rated Load Capacity:

300.0 pounds

Product Name:

Maintenance platform, acft-tailcone assembly

Special Features:

Material listed as low density nonmetallic honeycomb covered with phenolic resin sheets; assembly contained in canvas storage bag

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T361-j
