End Application:

C-5 aircraft

Component Quantity:

87

Adjustability:

Adjustable

Floor Material:

Any acceptable

Adjustment Method:

Manual

Working Platform Quantity:

40

Ladder:

Included

Product Name:

Isochronal (iso) maintenance stand set, c-5 aircraft

Functional Description:

Used for maintenance on c-5 acft

Reference Data And Literature:

Air force drawing 9842481

Specification Data:

98752-9842481 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T361-j
