Model Number:

Etu-5/e

Functional Description:

Used to transport j-60 aircraft engine

Reference Data And Literature:

T.O.35d3-3-63-1

Relationship To Similar Equipment:

1740-00-690-5284

General Description:

C/o bolted, steel frame; 4 wheels, 9.000 in. Dia; pneumatic tires; wheel tread, 38.000 in.; wheel base, 72.000 in.; parking brakes; pole type telescoping towbar; two rails, 108.000 in. Lg, center spacing, 33.000 in.; trailer length 108.000 in., width 44.000 in., height 33.000 in.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
