Overall Length:

84.000 inches

Overall Height:

72.000 inches

Overall Width:

37.000 inches

End Application:

C-5m

Specific Use:

Cf6-80c2l1f engine fan blades

Caster Quantity:

4

Caster Type:

Rigid and swivel

Parking Brakes:

Included

Criticality Code Justification:

Antn

Product Name:

C-5m dolly, fan blade storage

Special Features:

Item has 38 storage compartments; pushed/pulled by hand; no tow bar and not designed for towing

Functional Description:

Store and transport engine fan blades

Reference Data And Literature:

Serd no. 03-01-0097

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T277-a
