End Application:

Propeller p/n 75-wlr-f-243-003 onboard 75 ft wlr "f" class coast guard vessels

Rotation Direction:

Right-hand

Propeller Outside Diameter For Which Designed:

3.833 feet

Usage Location:

Starboard

Pitch Type:

Constant

Design Pitch:

4.250 feet

Material:

Nickel-chromium-iron alloy and steel, corrosion resisting

Material:

Iron alloy and stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T274-c
