End Application:

Demountable stave bearing

Accessory Identifying Number:

L-1314-1614 x 10 c3 part no.

Special Features:

Od shaft sleeve 13.0", housing bore od 16.25", 1/2 length, normal shaft secured bearing 0.28-0.44, all surfaces are 125 r.M.S. Roughness surface, 125is average finish

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
