Inside Diameter:

Between 10.500 inches and 12.250 inches

Outside Diameter:

14.000 inches

Mounting Hole Diameter:

1.625 inches

Mounting Hole Quantity:

10

Base Width:

21.500 inches

Base Length:

57.500 inches

Mounting Hole:

Provided

Post Quantity:

2

Distance Between Posts:

22.000 inches

Cap Shape:

Pear

Distance From Post To Lip Outside:

3.000 inches

Distance From Post Top To Deck:

19.750 inches

Post Shape:

Circular

Crossarm:

Not included

Material:

Steel, cast

Material:

Steel

Specification Or Standard:

Low with lip style and 267772 drawing number

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T274-q
