Overall Length:

24.000 inches

Overall Height:

1.875 inches

Overall Width:

6.000 inches

Basic Material:

Steel

Mounting Method:

End bolt holes

Mounting Feature:

Included

Insert/additive Type:

Bonderized and epoxy resin abrasive and galvanized

Style Designator:

Overlap

Reference Number Differentiating Characteristics:

Marine

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T231-c
