Weight:

Between 2720.000 pounds and 2886.000 pounds

Construction Method And Location:

Cast flukes

Fluke Design:

Fixed

Stock Design:

Fixed

Shackle:

Not included

Fluke Hole:

Included

Balancing Band:

Included

Material:

Steel, mil-s-15083, grade b

Material:

Steel uns j03008

Material Specification:

Mil-s-15083, grade b military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T274-p

Mil-std (military Standard):

Mil-s-15083 spec.
