Metal Molding - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/2040-01-358-1485

Fabrication Method:
Extruded
Length:
•
10.000 feet
Mounting Method:
Machine screw
Issue Form:
Specific length
Special Features:
Material iaw aisi class 304, thickness 0.0375 in
Material:
Steel, corrosion resisting
Material:
Stainless steel
Style Designator:
Cove
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T231-h
