Marine Structural Metal Door - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/2040-01-443-3191

Opening Width:

26.000 inches

Panel Thickness:

0.075 inches

Operational Direction:

Right-hand

Design Type:

Watertight

Operation Method:

Lever

Opening Length:

66.000 inches

Quick Operating Feature:

Included

Passing Scuttle:

Not included

Fixed Light:

Not included

Material:

Steel

Material:

Materia

Steel

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

T274-u
