End Application:

Launch, hydrog

Product Name:

Tank vent

Special Features:

3/4in. Inside diameter made to fit hole up to a maximum of 5/8in. Thk

Material:

Stainless steel and copper alloy

Surface Treatment:

Chromium

General Description:

Wire screen is stainless steel and frame is chrome-plated bronze

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
