Opening Width:

36.000 inches

End Application:

E/t hatch wt ind 3; used on wasp class lhd

Operating Control Type:

Individual dog

Installation Design:

Flush

Panel Material:

Steel

Opening Length:

36.000 inches

Test Pressure Rating:

28000psi

Operating Location:

Above or below

Spring Balance Feature:

Not included

Hasp:

Not included

Scuttle:

Included

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T274-u
