Head Diameter:

1.750 inches

Overall Length:

8.125 inches

End Application:

Scuttle, ballistic; w/s aircraft carrier cvan 68

Mounting Method:

Spindle

Material:

Steel

Material Specification:

Aisi 1020 normalized assn standard single material response

Style Designator:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
