Overall Length:

5.000 inches

Overall Height:

1.500 inches

Overall Width:

3.000 inches

End Application:

Hatch, ballistic; wsd: class cvn 74

Product Name:

Slide

Special Features:

Material: cres qq-s-766 cl 304

Functional Description:

Used on aircraft carrier class cvn 74 hatches ballistic us and ls weapons elevator securing pin assembly and details

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
