End Application:

Aircraft carrier cvan 68 non-ballistic double doors

Design Type:

Swivel

Operation Method:

Manual

Special Features:

Material cl304 federal specification qq-s-763; shank length is 6.750 in; shank diameter is 1.125 in.

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A513u0
