Overall Length:

16.000 inches

Overall Height:

10.000 inches

Overall Width:

14.000 inches

End Application:

De-smoke damper assembly

Product Name:

Exhaust damper

Special Features:

Damper is solenoid operated, rated at 440 volts

Material:

Aluminum or stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
