End Application:

Nha: wti double door, 21-dog

Product Name:

Dog handle

Special Features:

Door dimensions: 1830m (72)x2135mm(84); 69 k pa(10psi)

Material:

Stainless steel

Material Specification:

Astm a473, type 316 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
