Overall Length:

10.000 inches

Overall Height:

1.400 inches

Product Name:

Sealing plate hinge

Special Features:

.090tk type 304 stainless steel cont. Hinge x 10.00in long, 4.00in open width, 1.00in knuckle length, .250in diameter type 304 stainless steel flush pin staked in place. One leaf perforated and formed; no finish, no decreased, packed in bulk

Material:

Stainless steel

Supplementary Features:

4 mounting holes 2.875in apart; 90deg bend radius

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
