Marine Structural Metal Door - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/2040-01-604-0711

Opening Width:
23.500 inches

End Application:
Separator, co
Design Type:
Nontight
Opening Length:
58.250 inches
Quick Operating Feature:
Not included
Product Name:
Blow-in door bypass
Material:

Material:

Stainless steel

Steel, corrosion resisting

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

T274-u
