Thread Length:

2.950 inches

Screw Thread Diameter:

1.50 inches

Screw Thread Series Designator:

Npt

Stem Type:

Threaded

Product Name:

Full threaded mushroom head through hull connector

Special Features:

Made of high strength marelon

Material:

Plastic, fiberglass reinforced

Material:

Plastic, fiberglass reinforced

Shape:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T274-f
