**Overall Length:**

5.0 inches

**Overall Height:**

0.75 inches

**Overall Width:**

1.5 inches

**End Application:**

Door

**Design Type:**

Swivel

**Member Minimum Thickness For Which Designed:**

0.5 inches

**Product Name:**

Dog lever

**Special Features:**

1 each through hole 0.9365 inches diameter, 1 each through hole 0.875 inches diameter, material specification: astm-a-240.

**Material:**

Steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A513u0
