Overall Length:

5.0 inches

Overall Height:

0.75 inches

Overall Width:

1.5 inches

End Application:

Door

Design Type:

Swivel

Member Minimum Thickness For Which Designed:

0.5 inches

Product Name:

Dog lever

Special Features:

1 each through hole 0.9365 inches diameter, 1 each through hole 0.875 inches diameter, material specification: astm-a-240.

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A513u0
