Overall Length:

21.5 inches

End Application:

Doors watertight, quick acting arrangement

Product Name:

Connecting rod, assembly rh

Special Features:

Assembly consists of (1) connecting rod handle side p/n: 803-6397269-38, (1) stud toggle link/dog lever p/n: 803-6397269-89, and (2) stud dog lever/conn rod p/n: 803-6397269-91. Material is per astm a276 type 316 cond a.

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
