### **End Application:**

Payload tube muzzle hatch operator mechanism

## **Component Quantity:**

14

# Document Type:

Engineering drawing

#### **Product Name:**

Bracket assembly, locking ring

### **Special Features:**

Includes submersible electronic switch (sels) number h8531053-005d

Shelf Life:

N/a

Unit Of Measure:

#### Demilitarization:

No

---

# Fiig:

A23800
