**End Application:**

Payload tube muzzle hatch operator mechanism

**Component Quantity:**

14

**Document Type:**

Engineering drawing

**Product Name:**

Bracket assembly, locking ring

**Special Features:**

Includes submersible electronic switch (sels) number h8531053-005f

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A23800
