Overall Length:

14.020 inches

Overall Height:

20.290 inches

Overall Width:

12.672 inches

End Application:

Ship, heat exchanger

Component Identifying Number:

7592014g1

Product Name:

Rack, mdm

Special Features:

Rack assembly is wall mounted, has bottom shelf, side braces, back plate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
