End Application:

Wiper, window 18.907w sv53277 001

Product Name:

Straight line wiper signal shelter us navy cvn-69

Extra Long Reference Number:

1m-cvn-1642-sh-d2-115/3 (s480-a350-b350)

Special Features:

Power supply: 115v ac, 60 hz, 3-phase; arm length 350mm; blade length 350mm; stroke/angle 480mm; window no.: 15-a, 15-c, 15-e

Reference Number Differentiating Characteristics:

Differentiated by extra long part number

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
