**End Application:**

Zf marine electronics propulsion control system

**Product Name:**

Automatic power selector (aps) model: 13505

**Special Features:**

Max load current: 70 amps; op temp: -40 degrees to +80 degrees c; dim: 3.25" x 4.5" x 3.1"

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No
