End Application:

Zf marine electronics propulsion control system

Product Name:

Automatic power selector (aps) model: 13505

Special Features:

Max load current: 70 amps; op temp: -40 degrees to +80 degrees c; dim: 3.25" x 4.5" x 3.1"

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
