End Application:

65 ft patrol b

Speed Control Type:

Two

Product Name:

Weather proof heavy duty wiper motor 14 n-m

Voltage In Volts:

24.0

Special Features:

316 stainless steel rigid aluminum housing, adjustable swweep angle 40-110 degrees.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T239-a
