Maximum Operating Pressure:

275.0 pounds per square inch

Maximum Fluid Volume:

2.5 gallons

Product Name:

Cw accumulator

Special Features:

3"port flange, standard asme cert, weight 14kg, height 431mm, maximum diameter 211mm water and chemical service

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T164-c
