General Description:

13000 lb drawbar pull; 56-1/2 in. Track gage; engine data, gasoline engine, rated maximum bhp rating, a/a, max ft - lb torque, a/a; transmission data, 3 forward speeds, 3 reverse speeds; w/closed cab; coupling provisions for mating w/aar unrestricted clearance diagram; road travel dim., 96 in. W o/a, over-all height, as per specification below, 9 in. Road clearance; no special features

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
