Generator Trailer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/2330-01-542-6775

Special Features:

Shelf Life:

Fiig: T277-a

Pm mep developed an interface kit which consists of: fenders, mounting rails, platform, accessory box, that is bolted onto the trailer
chassis, basedon pm mep tdp, which makes it able to accept a generator. See inc g 7586 generator outfitted, trailer mounted. See related
inc 00562.
