**Special Features:**

M2e1

**General Description:**

Item consist of: cumming engine vta-903 4 stroke turbocharged diesel; g.E.Hmpt-500 transmission; performance: land speed-forward 40-50 mph; reverse 5-10 mph, slope 60pct, side slope 40pct, height 116.000, width 126.000, for further information see drawing 19207-8750140

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A23900
