Voltage In Volts And Current Type:

12.0 dc

Special Features:

Diesel engine; 8 passenger cab; dual 950cca batteries; engine block heater; oil heater; heated fuel filter; automatic transmission; safety glass; 50 gallonfuel tank; rubber snow tracks; rotating beacon; arctic winterization package

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
