Overall Length:

54.515 inches

Overall Width:

9.828 inches

Mounting Position:

Right side

Special Features:

Jone end of lg tapers down to 9.014 in.On opposite end of lg; 41.625 in.Lg 1.250 in.O/a w 0.048 in.Thk steel reinforcement welded to panel along length through center of panel; panel used on right side of vehicle

Material:

Stainless steel

Material Specification:

Sae 1009 to 1020 temper 3 to 5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A526j0
