Overall Height:

3.312 inches

Inside Width:

2.562 inches

Fastening Device Type:

Bolts

Base Hole Diameter:

0.467 inches

Features Provided:

Base hole

Material:

Steel

Material Specification:

Fed standard 66, aisi or sae 1008 to 1035 military standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02900
