Overall Length:

72.140 inches

Overall Width:

27.810 inches

End Application:

For pccn k908 truck van

Mounting Method:

Unthreaded mounting holes

Special Features:

Plywood, flat panel douglas fir, 3ply type 1, sound one side, sanded 2 sides per specification nn-p-530; 50 mounting holes 0.125 in.Nom

Surface Treatment:

Paint

Surface Treatment Specification:

Mil-e-52798 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A526j0

Mil-std (military Standard):

Mil-e-52798 spec.
