Overall Length:

28.470 inches

Overall Width:

23.290 inches

Special Features:

Forest green; w/2 holes off center along lg 1.560 in.Dia thru, 8 holes 0.128 in.Dia through and 2 holes 0.880 in.Dia; prebent

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, temp h32 federal specification single material response

Surface Treatment:

Anodize and paint

Surface Treatment Specification:

Mil-c-46168 ty ii federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A526j0

Mil-std (military Standard):

Mil-c-46168 spec.
