Overall Length:

67.000 inches

Overall Width:

28.703 inches

Special Features:

18 attachment holes and rectangular shape

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, temp h32 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A526j0
