End Application:

2350-01-390-4683

Mounting Position:

Right-hand

Usage Location:

Front door

Features Provided:

Mounting hole

Vehicle Design Control Activity:

19207

Vehicle Identification Designator:

M88a1e1

Special Features:

Hinge block assembly personnel door

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A511f0
