End Application:

2350-01-390-4683

Features Provided:

Mounting hole

Vehicle Design Control Activity:

06085

Vehicle Identification Designator:

M881rv

Special Features:

25.000 in. Center to center distance between top and bottom mtg holes

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A511f0
