Overall Length:

29.000 inches

Overall Width:

14.000 inches

End Application:

Nsn 2320-01-123-1610 lav-ad

Special Features:

Finish chemical film 7.3.1 of mil-std-171; epoxy primer mil-p-23377; polyurethane mil-c-46168; aluminum alloy qq-250/11

Color:

Green

Material:

Aluminum alloy

Surface Treatment:

Primer and plastic

General Description:

Measurements listed are largest sides; one corner tapered; dimensions tolerance +or- .06; curved, .09 stock; drilled holes for mounting

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
