Overall Length:
1.500 inches
Overall Height:
1.500 inches
Overall Width:
1.100 inches
End Application:
Nsn 2320-01-123-1610, light armored vehicle
Special Features:
Ufinal protective finish, chemical film, iaw 7.3.1 of mil-std-171; next higher assembly bracket, mounting, nsn 5340-01-459-0806; also
equipped with 0.19 inch bevel the entire length and two 0.190 inch diameter threaded mounting holes
Material:
Aluminum alloy
Surface Treatment:
Plastic and primer
Thread Size And Series/type Designator:
0.190-32 unf
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
